THE PIVOTAL PLAYERS: online presentation

Msgr. Aucoin will lead an online presentation entitled *The Pivotal Players*. This Program is a multi-part series that illumines a handful of saints, artists, mystics, and scholars who not only shaped the life of the Church but changed the course of western civilization. These pivotal players are great persons who have clearly understood Jesus' message and have found their own way to make that message come alive. These are the players who will be studied: Saints Augustine, Benedict, Francis Assisi, Thomas Aquinas, Catherine of Siena, Ignatius Loyola, John Henry Newman, plus Bartolomé de las Casas, G.K. Chesterton, Fulton J. Sheen, and Flannery O'Connor. Registration is required so in order to get the code to join online via Zoom. Register at mwcatholics.org/pivotal.

Sessions are Mondays at 6:30 pm.

Sessions last about one hour online. **Each session stands on its own, so you can attend as many sessions as you wish.**

REMINDERS

THE PLATTSBURGH PREGNANCY CENTER at 62

Brinkerhoff St, Plattsburgh needs pro-life volunteers for 3 hours a week. Volunteers will be trained to give counsel to women in crisis pregnancies. If you are looking for a way to help and show love both to mothers and babies, this may be the place for you. Call 518-324-2010 to make an appointment and get started. Thank you.

PLENARY INDULGENCE: This year, the Vatican has decided once again to grant a plenary indulgence to Catholics who visit a cemetery to pray for the dead and reciting an **Our Father** and the **Creed**, done on any day in November. A **plenary indulgence** remits all temporal punishment due to sin. It must always be accompanied by a full detachment from sin. A Catholic who wishes to obtain a plenary indulgence must also fulfill the ordinary conditions of an indulgence, which are sacramental confession, reception of the Eucharist, and prayer for the pope's intentions. Sacramental confession and reception of the Eucharist can occur up to about 20 days before or after the indulgenced act.

FROM THE PASTOR'S JOURNAL...

"Preparation" is not an unfamiliar word for all of us, as it has a great significance in every sphere of our lives. Spiritually, without me saying, we all know that this journey of life we make through this earth is a preparation for what is to come, eternal life. Now back to our present reality, I can only imagine the preparation that we make for everything, especially with the events that are life changing. For instances like, wedding preparations of a newly engaged couple, students making their exam preparations, as some of you know, our Cathedral in Ogdensburg is undergoing all sorts of maintenance work in preparation for the big anniversary celebration next year. (150 years of the foundation of our Diocese). As part of all our excitement, we also need to make necessary preparations to make it a reality. It was the same in my case, as I was preparing myself for the formation to priesthood. I had almost one month to prepare myself before the day of my travel date. The first part of my preparation was to meet my diocesan bishop for his blessings and of course the permission letter to join the Latin-Rite society, since I belonged to Syro-Malabar Rite. Now, how to set up an appointment with Bishop? Not me. Like Jeremiah, I must have thought, I was too young to make the phone call. So, whom should I go... to my parents or the pastor? I was confused!

With Love and Prayers,  **Fr. J.T.**

NATIONAL VOCATION WEEK

National Vocation Week **begins this Sunday November 7 and runs until Saturday, November 13th.** Let us fervently pray for more dedicated men and women to hear the call from God to serve as priests, deacons and consecrated religious for the service of the Church. May the Good Shepherd inspire these men and women to listen to the voice of the Shepherd as the Church and parish communities fervently pray for more vocations. Is the voice of the Shepherd calling you? Please contact Fr. Chris Carrara, Vocation Director or Sister Mary Eamon Lyng, Vocation Coordinator, Diocese of Ogdensburg, 315-393-2920 for more information and find information on the Diocese of Ogdensburg website www.rcdony.org.

From Bishop Terry R. LaValley...

"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms." (Peter 4:10) We all have received unique gifts from God. He calls each of us by name to use these gifts for the service of others in our parishes, communities and diocese. We all strive to live lives with a deeper purpose and to make a difference in the world and in the lives of those around us. Next weekend we will observe Stewardship Sunday in parishes across the Diocese of Ogdensburg. I ask that you prayerfully reflect on the many gifts that God has entrusted to you and ask yourself, "How can I serve God? What is He calling me to do with the gifts He has given to me? How can I use my gifts, talents and time to serve others in my parish and community?" I invite you to speak with your pastor about the various ministries in your parish in which you can participate. I encourage you to become energized and engaged in those ministries. It is through our service that each of us become Living Stones, contributing to the vibrancy of our parishes as we support one another in our common journey with Christ. I am grateful to the many parishioners who are generously sharing their time, talents and resources. Thank you for saying "Yes" to God's call to serve your family of faith here in the North Country. May God continue to bless the work of your hands and hearts.

Faithfully yours in Christ, Most Reverend Terry R. LaValley Bishop of Ogdensburg

Prayer for Vocations

Faithful God,
We celebrate your fidelity and love for your Church. You bless us and call us into a covenant with you, with Jesus, and with the Holy Spirit.
Mary accepted this covenant, offering herself as your blessed handmaid. You entrusted her with your Son, Jesus, and in turn she became our mother too. Like Jesus and Mary, bless us with a trusting spirit that we might serve you faithfully.
Inspire men and women to dedicate their lives to you through the consecrated life. Help us to invite, encourage and support men and women to serve the Church.
Blessed are we as we seek to live our lives in holiness and integrity.
We offer this prayer in the name of Jesus and his Blessed Mother in union with the Holy Spirit. Amen.

REMINDERS

1. This Sunday is Stewardship Sunday... Exercising stewardship is caring for the gifts God has given us, including the environment, our own personal talents, and other resources. I take this day in a very special way to **THANK YOU** for your support to our parish family with your resources, time, and sacrifice. If you wish to help the parish in any way, please approach pastor or deacon.

2. Next weekend is the Catholic Campaign for Human Development throughout the dioceses in United States. If you wish to contribute to this cause, please feel free to pick up the envelopes placed at the entry ways of the church and drop it in our regular weekend collection. Thank you.

ENVIRONMENTAL STEWARDSHIP

Creation Care Tip: The rise in cost of gasoline can be an added incentive to find more ways to reduce the amount of gas we use by combining our trips, carpooling and slowing down our speed. These simple acts not only keep money in our pockets, they will lighten our carbon footprint on the earth and each other.

PLANNED GIVING

Planning Ahead = Good Stewardship

Good stewardship requires us to think of the future. Have your estate plans prepared now and include a gift to our parish.

Things to Ponder....

Every path has a puddle!

FROM THE PASTOR'S JOURNAL...

“**Confusion**” can make us feel powerless, anxious, stressed and a whole host of other draining emotions. Is it bad? But what if I told you that confusion can be good at times? Yes, while confusion can stir up a seamlessly never-ending cloud of fog that envelops everything around us, it is also a sign of great and powerful change. Think about it. If everything made sense to us all the time, how would we ever grow? If we were always hundred percent certain about every decision we made or every fork in the road, how would we ever shift or evolve? When we feel confused, it's a sign that our mind is expanding a little more. It's a sign that we are allowing our hearts, minds, body, and soul to make room for something that wasn't there before. Being confused is really a process of opening up. (Take Samuel for example in the Old Testament.) Instead of just marching on ahead at that fork in the road, we are taking the time to process, learn and understand things. Here are four things that we can do: accept what we are, take a deep breath, focus on what do we know, and finally be patient as God will show us the way through. I am not sure if I went through all that when I decided to meet my pastor to get an appointment with Bishop. Sure enough, he got me a date and time...

With Love and Prayers,  **Fr. J.T.**

CHRISTMAS CASH RAFFLE AND HOLIDAY SALE

With Covid hopefully starting to wind down and Christmas starting to wind up, it seems like it may be a good time to begin some community activities to bring people together a bit and hopefully raise a few dollars for our Churches. It's no secret that the pandemic has affected our Church's bottom line as it has affected other businesses and even personal finances.

Starting this weekend, envelopes will be placed at the back of each Church containing raffle tickets for a 50-50 cash raffle. Each envelope will contain 20 raffle tickets. We will sell at \$1.00 each, 5 for \$3.00 or 20 for \$10.00. Please take as many envelopes as you like and return the envelopes each week. Just put them in with the collection. Please ask friends and neighbors...anyone who may like one...to try to make this raffle as successful as possible. If you need more at any time, there will be plenty of envelopes in each church available to pick up. The proceeds will be divided as follows: the churches will receive half and then there would be three winners to split the other half: first ticket gets 50%, second ticket gets 30% and the third would get 20%. This is an awesome way to gather some extra cash for Christmas shopping or however you wish to spend! The more we sell...the higher the prizes. The drawing will be at the end of the day of Christmas sale on December 4th.

Moving on to a Christmas sale. The date for the sale will be December 4th at the St. Elizabeth's Parish Hall. This sale will run from 9 am until 3 pm with the cash raffle drawing at the very end. We are asking for items to be donated towards this sale. There are a few volunteers who are already working on 10 baskets and gift boxes which will also be raffled on the day of the sale. We would welcome any gift type items to fill some baskets. Ideas for baskets may include lottery tickets, wine, maple syrup or any item that could contribute to a themed basket. All you would need to do for these baskets is bring the items to one of the halls or even to Mass and we can get them to the volunteers to build the baskets. Other items that would sell nicely are home baked goodies, craft type items, anything you may have that was handmade. We are looking for anything you may wish to donate for this sale. Items would not have to be new. Gently used items in good shape would also be appreciated.

Please consider giving some items for this sale. It should prove to be a welcome event in building back our Church family. Coming together in support of our Churches! We will also be looking for a few volunteers to help with the day of the sale. If you may be able to give two hours of your time to fill a shift please let Father or Paul know.

Thank you all so much for any help you can give to support our Churches!! We are all very blessed to have such wonderful parishes and congregations that act as one family. May God bless you all!

ENVIRONMENTAL STEWARDSHIP

Creation Care Tip: Did you know that rechargeable batteries consume less nonrenewable natural resources overall than disposable batteries? When purchasing toys and other items, avoid disposable batteries as improperly disposed batteries contribute to water and air pollution. When they are tossed into the trash, they end up in landfills where they decay and leak. Improperly disposed batteries negatively affect human health by exposing the environment to lead and strong corrosive acids that can cause burns and dangers to our eyes and skin. IT BEARS REPEATING!

ON OUR KNEES PRAYER CAMPAIGN

United in prayer for the Dobbs Supreme Court Case October 22 - June 22 all are asked to pray for the protection of life in our nation.

Background: January 22, 1973: Roe v Wade Supreme Court decision began the era of abortion on demand in the USA.

- 2018: Mississippi passed a law protecting unborn children after 15 weeks of gestation, when the baby has a heartbeat, eyes that open, ears that hear, and can move and kick. The law was challenged and the case, known as Dobbs v Jackson Women’s Health Organization, is being challenged by the Supreme Court.
- Dobbs v Jackson is a landmark case that could potentially overturn the decision of Roe v Wade. The possibility for future laws protecting the unborn hangs in the balance.
- **December 1, 2021** oral arguments for the case will be heard. **A decision is expected in June 2022.** More information at www.prayfordobbs.com

FROM THE PASTOR’S DESK...

“Advent” marks the beginning of a new Liturgical year. The Advent season is a time of preparation that directs our hearts and minds to Christ’s second coming at the end of time and to the anniversary of Our Lord’s birth on Christmas. From the earliest days of the Church, people have been fascinated by Jesus’ promise to come back. But the scripture readings during Advent tell us not to waste our time with predictions. Advent is not about speculation rather it calls us to be alert and ready, not weighted down and distracted by the cares of this world. Now, the Advent wreath is one among the many attractions of this season. The use of the wreath and candles during Advent are a longstanding Catholic tradition that was originally adopted by Christians in the Middle Ages as part of their spiritual preparation for Christmas. The wreath and candles are full of symbolism tied to the Christmas season. The wreath itself, which is made of various evergreens, signifies continuous life. The circle of the wreath, which has no beginning or end, symbolizes the eternity of God, the immortality of the soul, and the everlasting life we find in Christ. Advent also includes an element of penance in the sense of preparing, quieting, and disciplining our hearts for the full joy of **Christmas**.

With Love and Prayers, **Fr. J.T.**

EACH CANDLE ON THE ADVENT WREATH HAS ITS SIGNIFICANCE

The first lit purple candle symbolizes **HOPE**. It is sometimes called the “prophecy candle” in remembrance of the prophets, especially Isaiah, who foretold the birth of Christ. It represents expectation felt in anticipation of the coming Messiah.

Basically, the members would take turns in vacuuming the Church once a week, cleaning the sacred linens once a month and decorate the Church on Holy days.
